

VALUE-ADDED SERVICES

Full Package Bonus

Members who participate in PE Partners' Liability, Property and Workers' Compensation programs are eligible for a full package bonus.

The bonus is paid in October for the prior fund year. Bonuses range from \$500 to \$10,000, depending on members' premiums.

Scholarships

Scholarships are available to PE Partners' members to provide their employees with additional safety, liability and risk management learning opportunities.

Scholarships are offered for the PRIMA Institute, National PRIMA and Tennessee PRIMA, as well as the Legal and Liability Risk Management Institute for law enforcement personnel.

Dividend Program

For more than 20 years, PE Partners has declared an annual dividend to return excess surplus directly to members – not to outside stockholders or shareholders.

Qualifying members receive the dividend as a credit applied to their renewal premiums.

Property Valuations

Public Entity Partners provides property program members with valuations of the real properties they insure through us. The report provides replacement costs and actual cash values.

Grants

Public Entity Partners' grants program invests in training, education and equipment to help keep our members' employees safe and protect their resources. This program provides financial assistance to help members purchase essential safety and loss prevention items, as well as increase their knowledge of risk management and loss control techniques.

The program includes the Cyber Security Grant, James L. Richardson Driver Grant, Property Conservation Grant and Judy Housley Safety Partners Grant.

Risk & Insurance Symposium

The annual Risk & Insurance Symposium is a three-day educational and networking opportunity open to all Public Entity Partners' members and local agents.

Sessions expand attendees' knowledge and provide them with numerous risk management best practices. Several sessions offer CMFO credit hours.

Legal Hotline

Public Entity Partners' Legal Hotline is a free resource providing guidance for members with legal issues that could potentially turn into claims or lawsuits.

ADDITIONAL VALUE-ADDED SERVICES

GatherGuard

Local governments frequently receive requests from the public and third parties to use their property and facilities. Since third parties are not covered by member insurance programs, GatherGuard can protect your entity.

This general liability policy can help mitigate your risks, while also providing valuable protection to the event host and venue.

Training Program

PE Partners strongly invests in providing our members with numerous training opportunities to help improve employee safety, reduce liability and preserve public resources by offering in-person training onsite at your location.

The classes can be tailored to address your entity's own loss experience or a timely topic. They can also be customized for specific needs or departments, such as supervisors, police, public works or general administration.

Online Training

PE Partners provides free online training platforms for our members. The Safety National course library contains more than 1,000 EHS and HR self-paced courses accessible through the user-friendly interface 24/7.

In addition, EHS Hero and HR Hero offer access to safety plans, resources for incident-specific training, current state and federal regulation, and numerous time-saving solutions for HR needs.

Member Workshops

Each year, PE Partners offers regional workshops to provide training to local governments.

Workshop topics include workers' compensation, employment practices liability, use of force by police agencies, creating a culture of civility, respectful workplace, managing risk through effective supervision, work zone safety/flagging and numerous others.

These are hosted throughout the state to minimize travel for our members.

DVD Library

PE Partners offers a Safety and Media DVD Library with hundreds of safety- and liability-related topics.

With more than 250 titles from which to choose, members can request DVDs to be sent to their location for employee training.

All DVDs may be reserved by visiting "Member Benefits" at PEpartners.org.

Partnering for Success Webinar Series

PE Partners presents the Partnering for Success Webinar Series each year to enhance your opportunities for continued loss control education.

Each annual series offers six different webinars which enable you to ask real-time questions of the presenters while participating remotely.
